

## *Event Report*

### **Night Drive - Bunyip State Forest**

*Saturday 5th May 2001*

A well attended event by club members, a limit of 8 vehicles was set so as not to drag out the night and with a couple of late cancellations due to work commitments, 7 vehicles attended.

Daryl & Veronica - Toyota Hilux  
Allan - Landrover Defender  
Scott - Nissan Patrol  
Craig & Julie - Toyota Troopcarrier

John & Matt - Toyota Hilux Surf  
Ian - Landrover Discovery  
Andrew & Julie - Holden Jackaroo

Departing Gembrook at 8pm we headed for Black Snake Creek Rd, beginning with some relatively easy tracks zig-zagging between Burgess Rd & Gembrook-Tonimbuk Rd. These tracks would have been quite challenging, had the predicted rain arrived on the Thursday before.

After a short break at Dyres Creek Picnic Ground, log dump track proved a little more challenging for some. Then onto Andersons Track, where after a couple of 'snatch-strap' recoveries we all made it to the top. Finished up back at Gembrook just before 1am.

Thank-you to all those who attended.

Next night drive will be Tooloangi-Black Range area sometime towards the end of the year.
