### **Murrindindi Trip**

18 & 19 September 1999

6 Vehicles and 15 members and friends braved the bad forecast to attend the "Formal" Dinner at Murrindindi. Obviously those who were committed to football or the elections were unable to attend and missed a great night. Those of us there were delightfully unaware of both (who did win at either one?)

The weather held out and we think most enjoyed the camp oven cooked three course dinner. Soup, roast beef and pork and vegetables then plum pudding or cheesecake followed by port and teddy bears all seemed to disappear with enthusiasm.

Winner of the fashion competition was Erica Smythe resplendent in her 1970's pink taffeta (bridesmaid style). A close second went to Sid, who although looking very elegant in the hot pin satin was having trouble with his zip. Honourable mention went to Deb Mitchell whose black number complete with matching bolero looked lovely, but lose points when she announced "it was too tight and would have to come off to eat".

Sunday, those who stayed on (and were not throwing up) hiked to Wilhemena Falls then lunched at the Cascades before heading home via Healesville for coffee.

Good weather, good food, good company and should be an annual event!
